

10th August 2020

Dear Parents, Carers and Learners of **Liberty Training**

RE: HAPPY TO BE BACK!

As you will all know we closed our doors on Friday 20th March in order to comply with the Government Lock Down procedure. All **Liberty** staff continued to work remotely from their homes supporting our Learners and putting plans together for whatever was to come.

We were able to open our doors again back in June and completed our last term (albeit very different) on 31st July 2020. Some of our Learners wanted to come back, some decided to defer their studies and return to us in September – a kind of “do-over”!

We are now busy meeting with all our new Learners who will be joining us for the new year September 2020-2021, getting ready to welcome back our current Learners and putting lots of plans in place for everyone to stay safe while we are at **Liberty Training**. We even made a Virtual Tour video so we could show off the newly painted classrooms. If you haven't seen the video yet, check it out by visiting our Facebook page or clicking [here](#).

We are very much looking forward to welcoming all our Learners back on the week beginning 7th September 2020 – old and new! Everyone who is due to come back or start will receive letters very soon with information about what days you will be required, which group you will be in and times etc.

When you receive this letter, **PLEASE READ THIS LETTER CAREFULLY!** There is information that you will need as things are changing a little.

Liberty Training will certainly still be the same great environment with fun activities and a safe place to learn and grow – we've just had to “tweak” things a little bit, to make sure that everyone stays safe in the current world situation.

Yours sincerely,

Kate Hannon
