

Dear Learner and Parent/Carer,

Our college is part of Operation Encompass which is a national scheme that operates jointly between schools/colleges and police forces.

Operation Encompass is the reporting to schools/colleges, prior to the start of the next school/college day, when a child or young person has experienced domestic abuse.

As a college we have ensured that a member of our staff, known as a Key Adult, has been trained in the Operation Encompass procedures allowing us to then use the information that has been shared, in confidence, to support the young people in our care. Our Key Adult is **Michelle Smith**.

We have also ensured that all our staff have been trained in Operation Encompass procedures, so that we can all support learners and families who are experiencing domestic abuse.

The Domestic Abuse Act 2021 identifies children who experience domestic abuse as victims of domestic abuse in their own right.

We are keen to offer the best support possible to all our learners and we believe this will be extremely beneficial for all those involved.

If you have any queries or concerns, please feel free to contact Michelle Smith on 01843 446906 or [michelle@libertygrouppltd.co.uk](mailto:michelle@libertygrouppltd.co.uk)

Signed,

Michelle & Jojo
